University of Tsukuba Alumni Association Website Launched

筑波大学校友会サイト オープン

■ Alumni Association

The University of Tsukuba has recently established a **University of Tsukuba Alumni Association** (筑波大学校友会) to strengthen collaboration between the university and everyone involved in it. The Alumni Association is particularly designed for our graduates, completed students, current students, former teaching and university staff, current teaching and university staff, organizations for extracurricular activities, and specific alumni associations.

■ Alumni Association Website and SNS

In addition, we have launched the **University of Tsukuba Alumni Association Website** (筑波大学校友会サイト) and its **Social Networking Service (SNS)** site. While the former site is open to the public, the latter is limited to registered members. The SNS site allows users to locate friends, create and join various communities, upload diaries and photos, and do much more. For details, please visit: <https://alumni.tsukuba.ac.jp/>

■ Lifelong Email Address

The University of Tsukuba Alumni Association provides its registered members with a **lifelong email address** (生涯メールアドレス), using Google Inc.'s "Google Apps for Education" system. It provides a storage space of 25GB, more than enough for ordinary use. Once you let acquaintances and friends know your lifelong address, you no longer have to give them notice each time the address you usually use is affected by a change of provider, affiliation, etc.

■ Registration

Registration procedures for the University of Tsukuba Alumni Association Website SNS are explained in detail at: https://alumni.tsukuba.ac.jp/site/user_e.html
You are encouraged to register for the SNS along with your classmates, seniors, and juniors.
