## Briefing Session @ Dusseldorf and Munich to Introduce the University of Tsukuba

### 【13 Nov. 2012 University Briefing Session @ Dusseldorf 】

We held a briefing session of our university at the International School of Dusseldorf together with the Waseda University European Center in Bonn.

Dusseldorf is the center city of Ruhr Industrial area which is used as a base for expansion by Japanese companies advancing into Germany and Europe.

The 40 attendees of the briefing session consisted of students and their parents interested in Japanese university admission. We provided information about school life and admission examinations for returnees. Attendees asked many questions, including matters such as dormitory conditions, etc.

### 【16 Nov. 2012 Briefing Session on Japanese Research & Education @ Munich】

We attended the event to introduce Japanese research and education at Technische Universität München held by the JSPS Bonn Office. Technische Universität München is one of the top tier technical universities in Germany and is located in Munich, which is the central city of South Germany.

German students and researchers have become interested in our university which has an overseas office in Bonn.

Embassy of Japan in Germany and the Japan Foundation also attended the fair and introduced the attractive features of research and study abroad in Japan.
