

SUMMER SCHOOL 2013 in Tsukuba, Japan

University of Tsukuba Medical Sciences

July 29 – August 9,
2013

We are pleased to announce our annual event "Summer School 2013". This event will take place on July 29 through August 9 sponsored by the University of Tsukuba.

The aim of this summer school is to engage in the research activity with the faculty of Medicine in the field of Medical Sciences. This program will be conducted entirely in English. On the final day of the 2-week program, participants will deliver a presentation on their research.

We will accept approximately 30 students from several universities in Viet Nam, National Taiwan University, and Université Bordeaux Segalen, France.

We also prepare some special events for the participants to deepen cultural exchange with each other.

Participating Faculty:

Shigeru Chiba, Koji Hisatake, Kiong Ho, Masao Ichikawa, Kenji Irie, Yasunori Kanaho, Mitsuyasu Kato, Yoshito Kumagai, Masayuki Masu, Kazuya Morikawa, Atsushi Kawaguchi (Kyosuke Nagata), Masayuki Noguchi, Nobuhiro Ohkohchi, Osamu Ohneda, Naomichi Okamura, Akira Shibuya, Hitoshi Shimano, Satoru Takahashi, Kaoru Takeuchi, Naoyuki Tsuchiya, Yukiko Wagatsuma, Kenichi Yagami, and Masashi Yanagisawa

How to Apply
